INTRODUCTION

In order to maintain adequate environmental conditions for enjoyable living within the Playmor Terrace West Association, reasonable regulatory policies and guidelines have been established and will be enforced. This Manual provides information concerning regulations established by resolution of the Playmor Terrace West Association Board of Directors for the mutual benefit of all property owners and tenants associated with our community. Compliance with these regulatory provisions is mandatory in accordance with Covenants, Conditions and Restrictions, hereafter referred to as the CC&R's, in order to prevent deterioration of living conditions and property values.

Provisions will be enforced by the Board of Directors, with the assistance of the project Property Manager and the Association's legal counsel by the imposition of a monetary penalty for each violation (see Section C), or by the appropriate legal action as required.

As deemed necessary, the regulations established herein may be modified or rescinded through majority action of the Board of Directors at properly noticed meetings of the Board of Directors of the Playmor Terrace West Association. Additional information concerning current Board of Directors' actions may be publicized in Association newsletters.

ENFORCEMENT POLICY AND PROCEDURES FOR VIOLATIONS OF THE ASSOCIATION'S DOCUMENTS OF ADOPTED RULES AND REGULATIONS

Section 1. Actions Prior to Initiation of Formal Disciplinary Process

The Board of Directors, ("the Board"), an owner of an undivided interest ("Member"), or any resident of the Association has the authority to request in any reasonable manner that a Member, resident, tenant or invitee thereof cease or correct any act or omission which appears to be in violation of the Articles of Incorporation, Bylaws, Covenants, Conditions and Restrictions (CC&Rs) or Rules and Regulations ("Rules") governing the Association. Complainants are encouraged to attempt informal resolution before the formal process is initiated. Violations which, in the opinion of the Board, constitute threats to health, safety and/or security may proceed directly to the Hearing phase and the Board may demand immediate correction of the violation.

Section 2. Written Complaint

Formal disciplinary proceedings will be initiated upon the receipt of a written complaint ("Complaint") from any Member to the Board or its designated agent. Complaints may also be initiated directly by any member of the Board of Directors or by the management agent. The Complaint should include the specific provisions of the CC&Rs or rules which the Respondent is alleged to have violated. It should consist of more than charges phrased in the general language of such provisions, containing as many specific and supporting facts as are available, such as time, date, location, person(s) involved, and other relevant details.

Section 3. Notice of Non-Compliance

Upon receiving a complaint, the Board or its representative shall reasonably investigate to determine if a violation has occurred. If the Board, at its sole discretion, determines that a violation has occurred and enforcement is appropriate, it shall send a letter of non-compliance to the owner(s) of the unit(s) involved requesting compliance within thirty (30) days. Such notice shall be served by first-class mail or by personal delivery to the owner(s) of record. No penalty shall be assessed at this time, and if compliance is obtained within thirty (30) days, the Board need take no further action. If compliance is not obtained within thirty (30) days, the owner(s) shall be summoned to a hearing in accordance with conditions set forth in Section 5, Notice of Hearing.

Section 4 Notice of Non-Compliance, Noise Violations

Upon receipt of a written or verbal complaint by one or more parties, the Board or its representative shall reasonably investigate to determine if a violation has occurred. Calling Security and/or San Diego Police by complainant(s) is highly recommended but not required. If the Board, at its sole discretion, determines that a violation has occurred, it shall mail or serve the owner(s) involved a Notice of Hearing in accordance with conditions set forth in Section 5. Notice of Hearing.

Section 5. Notice of Hearing

Should the owner(s) fail to comply within thirty (30) days, or in the case of Noise, Trash container, and Dumping violations, the Board shall fix a hearing date and serve Notice of Hearing on the respondent owner(s) involved at least ten (10) days prior to the hearing. Notice of Hearing will be served by first-class mail.

The Respondent shall have the right to attend the Hearing with any material witnesses and may offer evidence and/or make representations to the Board subject to the provision of Section 6 below. Non-Members are not allowed to address the Board unless the Owner advises the Board in writing, 48 hours prior to the hearing, that he is unable to attend and requests the Board hear his tenant or rental agent in his stead.

The Respondent may request a continuance of the hearing if necessary. Any such request must include the reasons therefore. The decision of whether to grant the continuance shall be made by the Board and its decision is final. If a continuance is granted, the Respondent will be given notice of the new hearing date. If a continuance is not granted, or if one is not requested, the Hearing shall proceed in accordance with Section 6 below.

Whether or not the Respondent wishes to attend the hearing, he may at any time before the Hearing (or any continuance thereof), deliver to the Board a written statement setting out the Respondent's answer to the allegations in the Notice of Hearing ("the Defense"). If the Respondent submits a written response, it must be delivered to the Board of Directors, or the Board authorized representative, at least seventy-two (72) hours prior to the hearing. This will ensure that the Board has the opportunity to consider the response prior to any decision on the Complaint being made.

Section 6. Hearing

- (a) Neither the Complainant nor the Respondent is obliged to be in attendance at the Hearing, although such attendance is encouraged. All hearings will be held in an open session except that, at the request of the Respondent, the Hearing be conducted in Executive Session. Any request for the Hearing to be held in Executive Session must be submitted at least seventy-two (72) hours prior to the Hearing. If the request required by this paragraph is not given, the Hearing will be held in open session. Respondent presence and participation at Executive Session is limited to delivering a statement and responding to questions from the Board. Respondents will not be present during debate or vote.
- (b) At the beginning of, or at any appropriate time during the Hearing, the Board will, at its own behest or at the request of any party, explain the rules and procedures by which the Hearing is to be conducted. The Board is entitled to exercise its discretion as to the specific manner in which the Hearing will be conducted. Technical and specific rules of evidence or procedure will not generally be applicable to the Hearing except that the Board shall have full discretion to impose specific rules where it considers such rules to be appropriate and to refuse to admit evidence not reasonably relevant to the issues.
- (c) The Board will consider any written or oral statements of the parties and witnesses together with other information and/or evidence then before it, which it reasonably determines to be material and relevant.
- (d) Should the Respondent and/or Member fail to appear at the Hearing and fail to submit a written statement in defense of the allegations, the Board will consider such failures to be an admission of the allegations.

- (e) Whenever the Board has commenced to hear the matter and a member of the Board withdraws prior to a final determination, the remaining members shall continue to hear the case.
- (f) Tenants will not be allowed to represent owners at hearings unless a valid reason is presented in writing by the owner. The Board may allow tenants to accompany owners at Hearings. Tenants may be asked to leave at the end of business relating to their Hearings.

Section 7. Decision

After all evidence and/or representations have been presented to the Board, the Board shall debate and vote upon the matter in executive session. The decision may be made at the conclusion of the session or may be postponed to no later than ten (10) days thereafter. A written decision will be mailed to the Respondent within five (5) days of the decision. Fines, if imposed, unless otherwise ordered by the Board, shall become effective not less than five (5) days after the Board's decision is mailed to the Respondent. All decisions of the Board shall be final unless the Board, at its sole discretion, agrees to re-hear the matter due to the availability of new evidence or information of an overriding nature. All requests for rehearing must be made by the Respondent and received by the Board within fifteen (15) days of the date of the notice of the Board's decision.

Second Offense	\$300.00 Maximum Fine
Third Offense	\$400.00 Maximum Fine

Subsequent offenses will increase in \$100.00 increments with no maximum. Hauling and dump charges may be added.

The fines listed above are maximum amounts per violation. If circumstances warrant, the Board may impose lesser amounts and may suspend imposition of all or any portion of a fine for up to one year from the date of the Hearing. Since fines are levied against Owners, changes in tenants or residents have no effect. Fines for offenses of separate rules will each start at the first offense stage and progress to higher levels as appropriate. Recurring fines up to the above maximum rates are permissible on a per occurrence basis until compliance is achieved. Costs to the Association may be added to fines.

In addition to assessment of a fine, the Board may suspend the Respondent's voting rights and Association privilege as outlined in the CC&Rs, Bylaws and Rules.

Any of the rights, duties and actions outlined in this policy permitted or required to be performed by the Board may, at the discretion of the Board, be delegated to a Rules Committee, the management agent, or other authorized agent. Final authority and responsibility remains with the Board of Directors.
